E.N.P.A - Thomas Thurlow, Historic Buildings Officer - Signage at 6 Bank Square. Request that members to consider a formal objection to the removal of dressed stone signage to the front of the building.

Following consultation with members, the Chairman responded confirming the Council's opposition, considering the signage to be part of Dulverton's heritage.

Members are unable to review their comments, the deadline having passed some time ago. However, they have noted Mr Cottrell's comments and in the event that they receive an invite to speak at a future ENPA Planning meeting, the agenda of which includes this planning application, they will consider whether they wish to make a verbal representation.
